Bad Luck did scare me into remaining in Aidan mode. I embarrass myself too often, my ego no longer cares.
So I really hope that was the third incident. My sis did say it wouldn't be so horrific.
Here's to hoping that was it.
15 more days until I know for sure.

Third Incident?

And they gladly did.

Was that it? Was that the "third" sexually related incident?
Dahahah~ Maybe~
Bad Luck
Don't "maybe" me Answer me Was that it?
I'm a boy so flashing people is no big deal
Please tell me that was it

My neighbor informed me my car was being towed, so straight from my house, I fantically raced dawn the hill

Technically, it's illegal far a persan ta taw yaur car if yau're present and can drive yaur car away.

Car already
